

Plymouth Community Homes has taken over the Council's homes and is now your new landlord

In our first 100 days we pledge to:

- Install 200 brand new high security front and back doors
- Install 100 new high efficiency heating systems
- Install 100 new high quality kitchens
- Install 100 new bathrooms and showers
- Launch a brand new website for Plymouth Community Homes, with online rent payment and repairs reporting options
- Launch multi-skilled repairs operating
- Launch the £2 million a year Money Tree Fund, with the first project completed
- Provide 100% of our uniformed staff with brand new Plymouth Community Homes' uniforms
- Introduce a fleet of Plymouth Community Homes' repairs vans
- Hold the first Planning for Real event for North Prospect residents
- Produce a comprehensive new Plymouth Community Homes' Tenants Handbook and launch the distribution to tenants
- Introduce regular programmed Estate Inspections
- Hold the first meetings of the joint staff and tenant Continuous Improvement Groups
- Consult every sheltered housing scheme about improvements to communal areas
