

Big Decisions

Board updates newsletter June 2017

Plymouth
Community Homes

Welcome to the newest edition of Big Decisions!

Read on to find out more!

Strategy update

The Board have now approved the Digital Strategy which has now been uploaded onto our website. They also approved a Draft Communications Strategy which is now due to go out for consultation which you can find on the intranet. Both of these strategies link back to our Strategic Business Plan.

Compliance

Ian Frazer demonstrated new fire equipment to the Audit and Risk Committee – Devon and Somerset firefighters are trialling a new fire safety water misting system after carrying out a training exercise in two of our empty homes.

Our Audit and Risk Committee agreed a paper that makes us compliant with the Consumer and Viability standard which is part of our strong Governance arrangements. They also approved the new internal audit plan for the next 12 months as part of our Assurance.

CFC

We have two new co-optees for the Customer Focus Committee – Mel Leonis and Lavinia Portir are PCH residents both due to sit on the Committee which will give them a fantastic opportunity to get involved and give us a residents perspective on things.

News in brief

The Development committee have approved a site for new homes in Yelverton which is in the travel to work area as set out in the Development Strategy.

The board will be touring this new site in July along with other developments including Southern Gate which opens this week.

Chair recruitment

We have an exciting announcement for you.....coming soon.
