

# Fire action notice

September 2017

## If a fire breaks out in your home:

- Leave the room where the fire started and keep the door closed.
- Alert everyone in your home and leave calmly, closing the door behind you.
- Do not try to put the fire out.
- Dial 999.
- Wait outside, a safe distance away from the building.

## If you hear the main fire alarm:

- Leave the building in a calm manner.
- Please be mindful of other residents and do not run or use the lifts.
- If you need help to leave, please wait in the lift lobby until security staff or the Fire Service arrive to assist you.

## If you see or hear a fire in the building:

- Dial 999.
- If you are in any doubt over your safety, leave the building immediately.
